II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

*Defendant(s)***CRIMINAL COMPLAINT**

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about the date(s) of July 25, 2017 in the county of Bernalillo in the
Tenth District of New Mexico, the defendant(s) violated:

<i>Code Section</i>	<i>Offense Description</i>
501 & 506 Title 17	Illegal Theft of Lead Developer Wilfred Alexander Pages Trusted Security Certificates by Employees of Microsoft Corporatioin by other developers withing Microsoft Corporation to illegially appropiate Trusted Security Certificaes to their own Persons and steal all of my Development Work for the Microsoft Company in the attempt to publish in their own names as developers.
518 PC	Extortion by developers under me who are stealing my work and ideas in an attempt to pass it off as their own developmental work.
530.5 PC	Stealing my identity in the form of my Trusted Security Certificates

This criminal complaint is based on these facts:

As the lead developer of Microsoft and with the authority of myself to act on behalf of the Microsoft Corporation my account was hacked and a license that I issued on behalf of Microsoft Corporation to the Department of Defense was stolen from my computer in an attempt to set up and pass off as their own. Several persons are daily hacking into my Microsoft, Google, Amazon accounts in which I Wilfred Alexander Page am the Lead Developer and have Trusted Security Certificates that afford me the actions to act on behalf of the Corporations themselves.
